YEAR: _____

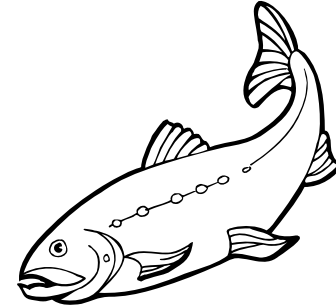

COMPANY
PLANT(S)

Confidential within the provisions of the *Freedom of Information and Protection of Privacy Act* (RSBC 1996, c.165)

Reporting Period: (check one)	<input type="checkbox"/> Quarter 1 (Jan-Mar)	<input type="checkbox"/> Quarter 2 (Apr-June)	<input type="checkbox"/> Quarter 3 (Jul-Sept)	<input type="checkbox"/> Quarter 4 (Oct-Dec)
-------------------------------	--	---	---	--

Instructions:

- For the reporting period indicated, include the total throughput of farmed finfish received directly from each producer, for each licensed farm site.
- This reporting requirement also applies to any fish processing companies processing their own fish.
- **Note:** It is not necessary to report individual transactions.
- Information reported should include all farmed product, including product custom processed for other companies.
- Do not include wild harvested product or product received for secondary processing.
- The data requested on this report must be provided to the Fisheries and Aquaculture Licensing and Compliance Branch – no later than 14 days after the end of the reporting period.
- Reports are to be sent to the Section Head, Licensing Unit via fax to (250) 334-1410 or mail to 2500 Cliffe Avenue, Courtenay, BC V9N 5M6

MAL Licence Holder Name	MAL Licence or Ref #	SPECIES ¹	POUNDS	VALUE (price paid to grower)

1. Species must include all farmed species processed including sablefish, white sturgeon, rainbow trout, Atlantic salmon, and Pacific salmon species.

During the reporting period marked above, we were not the first receivers of farmed B.C. finfish, or processed only wild finfish product.

DECLARATION: The information contained on this report is true and correct to the best of my knowledge.
